“Accessorize a bar with entertaining in mind. Whether casual or formal, a stylish bar adds warmth to a room.”
Barb Slaykin

Depending on what mood you are looking to create in your home bar – here are 2 ways to stylize the décor for entertaining.

Personalize a casual space with swivel cushion iron bar stools and simple, practical and natural accessories. Choose textured baskets and varying sizes of greenery to add warmth and appeal to a bar designed for socializing.

For a more sophisticated look, incorporate custom-designed bar stools, crystal wine accessories and fresh flower arrangements. Select a rich wall color and accent pieces with a traditional or old world charm to create a stylish and inviting bar setting to enhance a gathering of any size.
